### Affordable Housing for Students

With a total capacity of 2562 beds and seven different accommodation choices in 17 different buildings, residence halls are within walking distance of all functions on campus.

There are two main types of residence halls at CIU: studios and apartments. Studios usually do not have kitchens, except where shared kitchen facilities are available. All apartments come with a kitchen and a shared living room. Free high-speed internet connection, telephone, and mini refrigerator are available in all residence halls. Rooms and common areas are cleaned regularly. Fully furnished single, double, or quadruple studio rooms have central heating, and some offer air conditioning. Apartments provide single and double rooms in 2 and 3-bedroom flats.

In the Turkish Republic of Northern Cyprus, there is no recognized affordability index. However, we measure and compare our dormitory prices to those within the region (yearly fee).

	CIU (yearly) / per person	Average in Nicosia (annually) / per person
<b>2 Person Dormitory</b>	960 Euro + VAT (10%)	1,370 Euro
<b>4 Person Dormitory</b>	590 Euro + VAT (10%)	785 Euro
<b>3 Person Apartment</b>	680 Euro + VAT (10%)	866 Euro

- Annual 3-course daily meal (breakfast, lunch, and dinner) plan for students in CIU is 1750 euros. Students who buy the 3-course meal package together with accommodation are offered a 10 percent discount.
