Student Double Major Registration Acceptance Guidelines

- a) Students should first ensure that they meet the necessary conditions for applying to the Double Major Program (UKÜ Double Major Regulation).
- b) Applications can be made to more than one Double Major Program, but students cannot enroll in more than one Double Major Program at the same time. However, they can enroll in a second major diploma and minor program at the same time.
- c) Applications can be made to the Student Affairs Office until the last day of academic period registrations after acceptance.
- d) The Student Affairs Office sends all applications to the department head of the First Major Program on the business day following the last application date.
- e) The boards/commissions within the department evaluate the documents and (if any) academic reference letters of the applicant students and decide whether the students can be accepted to the Double Major Program within the quotas and which courses they will be exempted from, if any.
- f) This decision is communicated in writing by the department head of the First Major Program to be submitted for the approval of the relevant department heads and faculty deans.
- g) Students accepted to the Double Major Program must register for the Double Major Program within the add-drop period of the relevant academic period.
